Overview of ports offering reduced port fees based on a vessel's class in Clean Shipping Index

Ports in Sweden (14)

Port offering incentives	How to use benefits based on CSI?
Port of Gothenburg https://www.portofgothenburg.com/ +46 313687500 info@portgot.se	Vessels with a CSI certificate in Class 4 & 5 receive a 10% discount on the port fee, based on GT. See this link for actual information by Port of Gothenburg. To receive the discount, no action is needed as Port of Gothenburg receives the relevant information directly via Clean Shipping Index.
Ports of Stockholm https://www.portsofstockholm.com +46 86702600 info@portsofstockholm.com Rebates are given in all four ports; Stockholm, Nynäshamn, Kapellskär and Norvik.	A vessel's total verified score in the emission categories CO2, NOx and SOx & PM is decisive for the discounts offered (90 points max.). Discounts are given to vessels with a total verified score of 45-90 points in those emission categories, varying from 0,01 SEK/GT to 0,19 SEK/GT. See this link for actual information by Ports of Stockholm. To receive the discount, no action is needed as Port of Gothenburg receives the relevant information directly via Clean Shipping Index.
